How to Order Meals on UberEats

UberEats is a food delivery service that has a wide variety of restaurant options, often including options with $0 delivery fees.

Instructions

1. Open your internet browser (i.e. Chrome, Internet Explorer, Safari, etc.) and browse to www.ubereats.com
2. Search for an item or browse via the suggested categories.

3. Once you have chosen the restaurant, browse the food options and choose what you would like. After you click the items, please follow the prompts to choose any options, quantity, etc.
4. After you’ve chosen what you would like, click the cart to check out.

5. To check out, you will either need to Create Account or Sign In (if you already have an Uber or Uber Eats account.) Please follow the prompts to input your phone number, password, and so on.
6. If you or anyone in your family has allergies, please mention in the “Note for restaurant” section while you are checking out. Then, click place order.
