Online Grocery Shopping with Peapod

Ordering groceries through Peapod can be a simple and convenient way to get the foods and household items you need without leaving your home.

Follow the steps below to sign in (or create a new account), shop for groceries and schedule a delivery time that works for you.

1). Visit www.peapod.com
   a). If you have a shopping account already, click the Sign In link in the top right corner of the page.
      - Type in your username and password in the form, then click Sign In.

   - Once you’re signed in, skip to Step 2 of this document: Choose a delivery time.
b). If you don’t have an account set up, go to www.peapod.com/shop/auth/
- click the green I don’t have an account button.

- Before allowing you to set up an account, Peapod will verify that they offer delivery in your area.
  - To do that, enter your zip code, or the zip code where you want to have the groceries delivered, then click Start Shopping.
- if there is more than one delivery area in your zip code, you’ll be prompted to choose the neighborhood for your delivery from a list.
- Just click the down arrow in the City field (outlined in green) and select your area, then click the Start Shopping button again.

- You’ll be brought to the Home page where you can create an account.
- Click the hamburger menu in the top right corner of the page or the Guest link in left corner

- Scroll down the list and click Create Account

- You’ll be prompted to enter your email address and a password that meets the criteria on the Must Contain list:
Create Account

Create an account to clip coupons, earn rewards and shop for pick-up or delivery.

Email (This will be your username)

Password

Must Contain:
Minimum 8 characters
One uppercase letter
One lowercase letter
One number

Confirm Password

- Once you complete the form, click Continue.
- If you have one, enter Stop & Shop card number to save money on your order and click Continue.
Stop & Shop Card

Enter your card number to shop the items you've purchased at your local Stop & Shop.

Card Number - optional

- Next, enter the delivery address along with a phone number where the driver can reach you, then click Continue:
2). **Choose a delivery time**

a). From the **Time Slot** section, click **Select**

![Time Slot selection](image)

b). When the **Delivery Times** menu displays, click on a day from the date list on the left and scroll down the list of times on the right until you find an available time slot. *Note: You may have to click on a few days before you find an available time as demand is high currently.

c). Once you find a time that works for you, click **Select** to secure that delivery time, then click **Continue Shopping**
3). **Shop for groceries**

a). Search for products by name from the **Search** field at the top of the screen

![Search Field]

b). **OR** click the **Browse Aisles** button to shop by category

![Browse Aisles]

**Browse Aisles**

*shop by category*

c). Click on an aisle/category from the **All Aisles** list

![All Aisles]

**All Aisles**

Meat

d). Available products will be shown in the right, scroll down to see more items
e). **Filter** the items by choosing a product type from the sub-menu of the aisles list

![All Aisles](#)

- All Aisles
- Meat
- Chicken
  - Ground Chicken
  - Chicken Breast
  - Chicken Cutlets, Strips & Tenderloins
  - Chicken Drumsticks, Legs & Thighs

f). **Sort** products by price, ingredients, etc., via the sort menu in the top right corner

![Sort](#)

- Most Popular
- Description
- Price
- Unit Price
- Specials
- Calories
- Fat
- Carbohydrates
- Cholesterol
- Dietary Fiber
- Protein
- Sodium
- Sugar

g). To see the product **Details**, click on the product name or photo
h). When you find the item you want, click the green **Add to Cart** button and adjust the quantity using the + and - buttons

![Add to Cart button]

i). Pick different aisles by clicking on the **All Aisles** button again and choosing a new aisle from the full list

---

4). **Checkout**

a). When you’re ready to complete your purchase, click the green **Checkout** button (with the cost of the products) in the top-right corner of the page

![Checkout button]

b). On the **Cart** page, double-check that all the items you selected are in your cart and in the right quantities.
- adjust the quantity of an item by clicking on the + and - buttons
- remove any item by clicking on the trash can button

c). If your order looks correct, click the red **Checkout** button at the bottom of the screen

d). You’ll then be prompted to enter and save your payment information, if it’s not already saved.

e). Once that info is entered, you should be brought to the **Order Summary** page to confirm that your order and payment info are correct and to add a tip for the driver/deliverer, which is optional:

**Tip Amount** – optional

$0.00

f). If everything looks right, click the green **Place Order** button to complete your order and receive your order confirmation.
