When you first go to the Chelsea Schools website, you can translate the site into the language you need by clicking this button in the top right and then selecting your language.

To find information about your child's school, click "Schools" at the top of the page and select your child's school from the drop down menu

This will bring you to a page with information such as the school's principal, contact information, school hours and location.

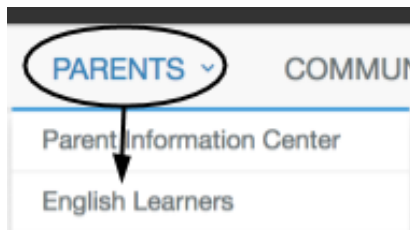

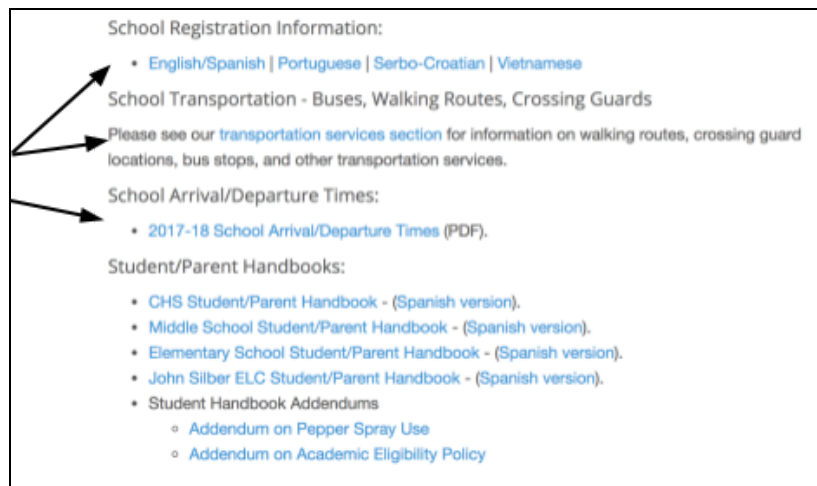

The “Parents” section at the top of the page also has lots of resources.

Information Center

Click “Parents” and then select “Parents Information Center”

On this page you can scroll down to find information on kindergarten and Pre-K registration, Transportation and much more

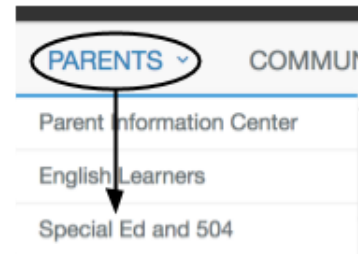

Under the “Parents” you can also find resources for English learners.

Click “Parents” and then “English Learners”.

This will show you in-school options and programs for English learners. Scroll down the page to read about different options and choose the best one for you.
